[VENDOR INTERVIEW FLOW]

🧑‍💼 *Basic Intro Questions*

- **"Tell me about yourself."**

    - Include: name, years of experience, background, passion for tech, current location.

    - Mention: frontend/backend/full-stack, React/Node/Django, etc.

- **"What's your most recent role?"**

    - Include: company name, title, duration.

    - Project: what you built, problem solved.

    - Tech stack used.

- **"How many years of experience do you have with [X]?"**

    - If you're confident, match your resume.

    - If not confident, give a slightly lower number but stay consistent.

🎓 *Education & Background*

- Started coding early (personal interest or side projects).

- Got a CS/Data Science degree for fundamentals.

- Managed school and work by:

    - Taking online/evening classes.

    - Doing homework on weekends.

    - Attending summer/winter courses.

🖼️ *Sponsorship*

- **Do you need sponsorship?**

    - Answer: "My employer provides it."

- **Follow-up: Who is your employer?**

    - Explain: long-standing relationship, good experience, helpful resources.

- **What type of position was it?**

    - Contractor.

- **Why are you leaving?**

    - Contract ends in ~2 weeks due to budget.

- **What's your notice period?**

    - 2 weeks.

😐 *Weird Verification Questions*

- **"Which building/floor/office did you work in?"**

- **"What's your manager's name?"**

    - Just be ready to provide plausible answers based on real locations or LinkedIn titles if needed.

[CLIENT INTERVIEW FLOW]

🧠 *If you're asked about tools/tech you don't know*

- Say you've worked in a team that used it.

- You've:

- ○ Collaborated with the team.

- ○ Consumed their API or integrated with it.

- ○ Occasionally looked at or contributed to their code.

● Refer to similar tools you've used.

● Confident in learning quickly from docs.

[COMPANY TYPES & CONTACT STRUCTURE]

🏢 *Clients*

● Real businesses hiring people for projects.

🤝 *Vendors*

● Middlemen. Recruit contractors.

● Will do screening call/interview before submitting you to client.

💼 *Consulting Companies / ICCs*

● They handle both recruiting and placements.

● Often reach out via email like `first_last@company.com`
